Dear Exhibiting Partner:

As we enter the 4th Annual GU Oncology Symposium it is our pleasure to provide you with the Exhibit Prospectus and invite your company's participation in this year's meeting. Tampa and the Westin Tampa Harbour Island provide a wonderful backdrop for this casual, intimate educational conference. The conference will be held January 15-17, 2009.

The Annual GU Oncology Conference will allow ample opportunity to:

• Enjoy one-on-one time with urologists, medical, surgical and radiation oncologists, pathologists and other physicians and nurses interested in the management of patients with genitor-urinary cancer
• Promote new technology or services
• Provide hands-on demonstrations
• Network with established customers
• Develop new customer relationships

To request booth space, simply complete the exhibit application. Please feel free to contact us if you have questions regarding the Conference. See you at the conference!

</table>

Exhibit schedule subject to change

Purpose of the Exhibits

The exhibits are an extension of the conference continuing education program. This means of communication is an educational service to meeting registrants and guests, providing useful information about developments, products and services related to their interests and responsibilities.

Eligibility for Exhibiting

Products or services displayed must further the purpose of the meeting and Exhibit Program and provide an atmosphere conducive to exchanging information relevant to the clinical content of the conference.

Products or services must be related to the clinical content of the conference and relevant to private practice, hospitals, institutions or other health related facilities.
