Center for the Advancement of Minimally Invasive Pelvic Surgery & The USF Health International Center for Pelvic Imaging

Presents

Pelvic Imaging for Pain, Prolapse & Voiding Problems

May 7 - 9, 2009

The Renaissance Vinoy Resort & Golf Club
St. Petersburg, Florida

Jointly Sponsored by

USF Health

Tampa General Hospital
Course Description:
New therapies for the consequences of pelvic floor prolapse or dysfunction arise yearly, since outcomes remain variable. Approaches to the equally enigmatic (and often associated) problem of chronic pelvic pain are also changing rapidly based on new understanding of centrally mediated and myofascial pain.

The inaugural course of Pelvic Imaging for Pain, Prolapse and Voiding Problems will meld interdisciplinary medicine and technology for effective, efficient solutions to pelvic pain and the consequences of pelvic floor injury and prolapse. The faculty consists of an outstanding group of pelvic imagers and clinicians, including a world renowned expert in 4D pelvic floor ultrasound, who will share their techniques in a thorough review of current and emerging management strategies based on effective use of static and dynamic imaging methods. Participants will witness typical cases of pathological rectal anatomy and function in action on fluoroscopy, dynamic MR and multiplanar ultrasound, in order to treat voiding dysfunction and injury. A demonstration of mechanisms causing pelvic floor symptoms, diagnosis of mesh and surgical complications and 4D image manipulation will also be held. As part of the registration fee, an Apple iPod touch will be given to each participant. It will contain all the conference presentations, and will be an integral part of the conference.

Target Audience:
This conference is specially designed for gynecologists, urogynecologists, urologists, pelvic surgeons, pain management physicians, family medicine physicians, physical therapists and sonographers.

Objectives:
At the conclusion of this conference, participants will be able to:

1. Discuss living pelvic floor anatomy and function using MRI, real time and 4D Ultrasound, CT, Pelvic Angiography, Fluoroscopy and surgical videos.
2. Explain the treatment of voiding dysfunction and injury.
3. Apply the most practical roles of CT, MR, palpatory vaginal ultrasound and angiography for evaluation of enigmatic pelvic pain in women.
4. Explain video urodynamic testing, and the use of neuromodulation for tertiary treatment of bladder dysfunction.
5. Discuss when and why to initiate manual pelvic floor therapy for myofascial pain.

Accreditation:
Physicians: USF Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

USF Health designates this educational activity for a maximum of 23 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Accreditation from the American Association of Family Practitioners is pending.

Physical Therapists (State of Florida only): USF Health is an approved provider of Continuing Education for Physical therapists pursuant to the Board of Physical Therapy chapter 64b17-9. USF Health designates this educational activity for up to 27.5 contact hours.

The Renaissance Vinoy Resort & Golf Club
501 5th Avenue NE
St. Petersburg, Florida  33701
Phone:   (727) 894-1000   Fax: (727) 822-2785

Hotel: Capturing the golden age of Florida resorts, the Renaissance Vinoy Resort & Golf Club takes you back to a time when elegance reigned supreme, service was an art form and grand surroundings made every guest feel special. The showplace of St. Petersburg's waterfront, the Renaissance Vinoy Resort is the only luxury resort on Florida's West Coast with the combination of a private marina, 18-hole golf course and 12-court tennis complex. First-class amenities surround you in the meticulously restored resort, a fine example of 1920's Mediterranean Revival architecture that has earned it a National Register of Historic Places designation. Spacious guest rooms combine the elegance of the past with the amenities of the present, like high-speed Internet access. The resort's restaurants present innovative cuisine that highlights Mediterranean flavors and new American cooking.

A block of rooms has been reserved for this conference at the special rate of $179.00 per night for single/double rooms plus current sales tax. These rooms will be held until April 17, 2009. To reserve your room, please call the Vinoy at (727) 894-1000 or call Marriott reservations at (800) 468-3571 and reference the USF Pelvic Imaging conference.

Transportation:
If you are traveling by air to the Vinoy, the Tampa International Airport (TPA) is the preferred airport to fly into. The Vinoy is located approximately 30 minutes from the Tampa International Airport. Shuttles, taxis and rental cars are available at the airport baggage claim area. For further information, log onto:  http://www.tampaairport.com

Shuttle: Super Shuttle reservations can be made by calling (800) 258-3826 (outside of Florida) or (727) 572-1111 (in Florida). Service from TPA to the Vinoy is approximately $25.00 one way per person.

Taxi Service: Service is available from TPA to the hotel by Yellow Cab and United Cab for approximately $53.00 one way. For reservations or information, call Yellow Cab at (813) 253-0121 or United Cab at (813) 253-2424.

The St. Petersburg/Clearwater International Airport (PIE) is a small local airport located about 15 minutes from downtown St. Petersburg and may be an option for your travel. For information, log onto: www.fly2pie.com.

Directions:
From Tampa Intl Airport: Take I-275 South to St. Petersburg, take exit 23A (I-375), stay left, 1st Avenue North to Beach Drive, Turn left, resort is one block on right. From St. Petersburg/Clearwater International Airport: Take I-275 South to St. Petersburg, take exit 23A (I-375), stay left, 1st Avenue North to Beach Drive, Turn left, resort is one block on right.

Parking: On-site: $14.00 per day
Valet: $18.00 per day

Refund Policy: Registration fees will be refunded minus a $100.00 processing fee with written notice on or prior to April 17, 2009. No refunds will be made after April 17, 2009. The Office of Continuing Professional Development (CPD) at the University of South Florida reserves the right to cancel the course due to unforeseen circumstances, in which the full registration fee will be refunded. Travel expenses incurred by the participant in case of cancellation will be their own responsibility.
The Registration fee includes the sessions, breakfasts, lunches, breaks and an Apple iPod touch for the participant only. A confirmation letter will be sent upon receipt and processing of your registration and payment. (No registration is confirmed without full payment).

**Conference Fee Information:**

- **Physician (including an iPod touch):**
  - On or Before April 17th: $950.00
  - April 18th and After: $1050.00

- **Physicians (bringing their own iPod touch or iPhone):**
  - $850.00

- **PAs / PTs / Fellows / Residents (including an iPod touch):**
  - $650.00

- **PAs / PTs / Fellows / Residents (bringing their own iPod touch or iPhone):**
  - $550.00
